# CHAPTER 1

---

## Installation Guide

---

```
pip install government_data
```

## CHAPTER 2

---

### Welcome to the Wonderful World of Government Data

---

Where government data is wonderfully important, at times it can be difficult to access to do meaningful analysis. As such this library intends to be make data from whatever official government source as accessible as possible.

Currently this library is in it's infancy and will be developed more extensively if a need for it becomes apparent.

## CHAPTER 3

---

### Bureau of Labor Statistics

---

This page will show you how to work with Bureau of Labor Statistic's information.

## CHAPTER 4

---

### Indices and tables

---

- `genindex`
- `modindex`
- `search`
